

Mt. Hope Funeral Planning

Losing a loved one is, without doubt, the most difficult thing any of us are called on to do. Our hearts are heavy and our minds are flooded with memories of things you did with your loved one or things he or she said or experiences you shared. We sympathize with you. We are keeping you and your family in our prayers at this sad time in your life.

The funeral or memorial service is an important time for everyone who knew your loved one. It is a time when you can come together, as a community, to grieve and remember and pay a special tribute to someone who you knew so well.

As you plan the service, along with the pastor and Mt. Hope volunteers, we hope you will allow the experience to begin the healing process in your spirit. It is our goal to have a service that is wholly honoring of a life well lived and one which points toward the creator God who is the center of it all.

May God bless you in these days of grief and healing – of remembering and treasuring the years you were blessed to have your loved one near.
